Student Pledge of Academic Integrity

A Commitment to Honesty, Excellence, and Christlike Character

As a student of Redeemer's University, a Christ-centred institution committed to truth, righteousness, and academic excellence, I solemnly pledge to uphold the highest standards of academic integrity in all my scholarly pursuits.

I hereby affirm that:

1. I will act with **honesty and fairness** in all academic activities, including assignments, tests, examinations, and research.
2. I will **submit only work that is my own**, and I will give full and proper credit for any ideas, words, or data that are not mine.
3. I will not engage in **plagiarism, cheating, fabrication, collusion**, or any form of **academic dishonesty**, including misuse of Artificial Intelligence tools.
4. I will **disclose any AI tools** used in the preparation of my academic work, as required by university policy.
5. I will not allow others to copy from me or use my work dishonestly.
6. I will report any observed violations of academic integrity to the appropriate authority in love and truth.
7. I will honour Christ by pursuing excellence with integrity, diligence, and accountability.

Declaration

I understand that failure to uphold this pledge may result in disciplinary action as stated in the Redeemer's University Academic Integrity Policy, and may affect my academic standing and Christian testimony.
